

IPv6 Forum Approved Readiness Assessment Partner Logo

IPv6 FORUM (SINGAPORE CHAPTER)

The IPv6 Forum (<http://www.ipv6forum.com>) is a recognised consortium of worldwide leading Internet vendors, industry subject matter experts, network researchers & professionals. It has a clear mission to advocate and create awareness of IPv6 technology to the world.

The Singapore Chapter is aligned with the Global IPv6 Forum, and its work is driven by the impending exhaustion of IPv4 addressing and the associated risk and additional cost that this is expected to impose on Singapore organizations and government related agencies.

IPv6 Forum is respected by the local government bodies including the IDA and WDA. We are also partner with the global and local industry associations such as IETF, IEEE, ISOC, SCS, AiSP, IASA and etc.
